EVENTS / STALLS AT THE MARKET

FREE ART ACTIVITIES	ARTIST DEMOS/STALLS	COMMUNITY GALLERY
Art activities will include rock painting, colouring, easels set up, watercolour etc. and will be free for all ages to sit and play.	artists who are willing to paint live will be given a stall free of charge. We have some local businesses who are sponsoring and we will pay for any more that we have. No worries if you wish to only sell at your stall and not paint - it is a fee of only \$50 for the stall.	Artists and emerging artists will have an opportunity to display their work, either in the outdoor gallery set up at the market or on the big screen with a rotation display of artwork. See pricing info below.

OTHER STALLS / ACTIVITIES

As the markets go ahead, we may include other art related stalls, such as face painting, perhaps handmade goods (completely handmade, not purchased and slightly altered). The focus of this market is really to connect community and artists/art, hence the many free activities, community gallery and demonstrations, so only stalls aligned with this will be invited to attend.
