EVENTS / STALLS AT THE MARKET

FREE ART ACTIVITIES	ARTIST DEMOS/STALLS	COMMUNITY GALLERY
Art activities will include rock painting, colouring, easels set up, watercolour etc. and will be free for all ages to sit and play.	artists who are willing to paint live will be given a stall free of charge. We have some local businesses who are sponsoring and we will pay for any more that we have.	Artists and emerging artists will have an opportunity to display their work, either in the outdoor gallery set up at the market or on the big screen with a rotation display of artwork. .

OTHER STALLS / ACTIVITIES

As the markets go ahead, we may include other art related stalls, such as face painting, perhaps handmade goods (completely handmade, not purchased and slightly altered). The focus of this market is really to connect community and artists/art, hence the many free activities, community gallery and demonstrations, so only stalls aligned with this will be invited to attend.

WANT TO GET INVOLVED?

We are asking local businesses to donate \$100 towards the stall fee of artists who will be volunteering to do some live demonstrations.

Your logo will be shown in signage on that stall and will say "This artist proudly sponsored by (Your Logo)" - such a wonderful way to support a local artist who is willing to give up their time to this beautiful community event.

Your logo will also be featured in advertising by us on Socials and by the COGB who are our major sponsor for these markets (example of marketing shown here).
